Primary Resource?	No	*Number of Stories:*	2.0
Architectural Style:	Other	*Condition:*	Good
Interior Plan Type:		*Threats to Resource:*	Transportation Expansion

Description: Built c. 1920, this two-story Frame Vernacular style house features a wooden frame structural system that rests on a solid brick foundation. The exterior is covered in aluminum siding and the side-gabled roof is clad in pressed tin shingles. This house features a brick chimney at each exterior end of the main roof and a second chimney on the exterior side of the gabled addition on the west elevation. Fenestration consists of six-over-six wooden double-hung sash windows with metal awnings. The east façade features a hipped porch with square wooden supports.
